Re: WT Docket No. 02-08
Ex Parte filing

Dear Ms. Dortch:

On Thursday, May 2, Russell Fairbanks and Jay Holcomb of Itron, Inc., and Henry Goldberg of this firm, met with Kathleen Ham, Deputy Chief, Wireless Telecommunications Bureau, Barry Ohlson, Senior Legal Advisor, Timothy Maguire, Electronics Engineer and Brian Marengo, Electrical Engineer, Public Safety and Private Wireless Division, concerning the above-referenced proceeding. We discussed the issues of limiting license eligibility to critical infrastructure companies and the "band flip" procedures for utility telemetry and wireless medical telemetry, which were discussed fully in Itron's comments in the above-referenced proceeding.

If there are any questions in this regard, please contact the undersigned.

Sincerely,

Henry Goldberg
Attorney for Itron, Inc.
